

Ann Church, M.D.

Dermatopathologist, University of Florida
Podiatric Pathology, University of Florida
Clinical Assistant Professor, University of Florida
Consulting Dermatopathologist for iPathology Laboratory

Biography

Dr. Ann Church attended the University of Southern Indiana in Evansville, Indiana, where she graduated Magna Cum Laude with her Bachelor of Science in Biology. After completing her undergraduate work, she then began her medical training at Indiana University School of Medicine.

Dr. Church graduated medical school in 2005 and subsequently moved to Gainesville, Florida to pursue a residency in Dermatology at the University of Florida. After she completed her Dermatology residency, Dr. Church pursued a fellowship at the American Academy of Dermatology.

Dr. Church finished her Dermatopathology fellowship in July 2010 and is now a member of the University of Florida's faculty in Dermatology and Dermatopathology.

Ann Church, M.D.
